---

## Spatial Distribution

Who lives where? What resources are present?

## Public Discourse

How do narratives shape the housing experience?

## Class

How is the material experience of housing (and housing interventions) different for different income groups?

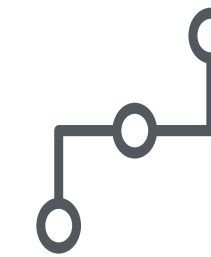

## Rights

Who is entitled to housing and its benefits?

## Demographics

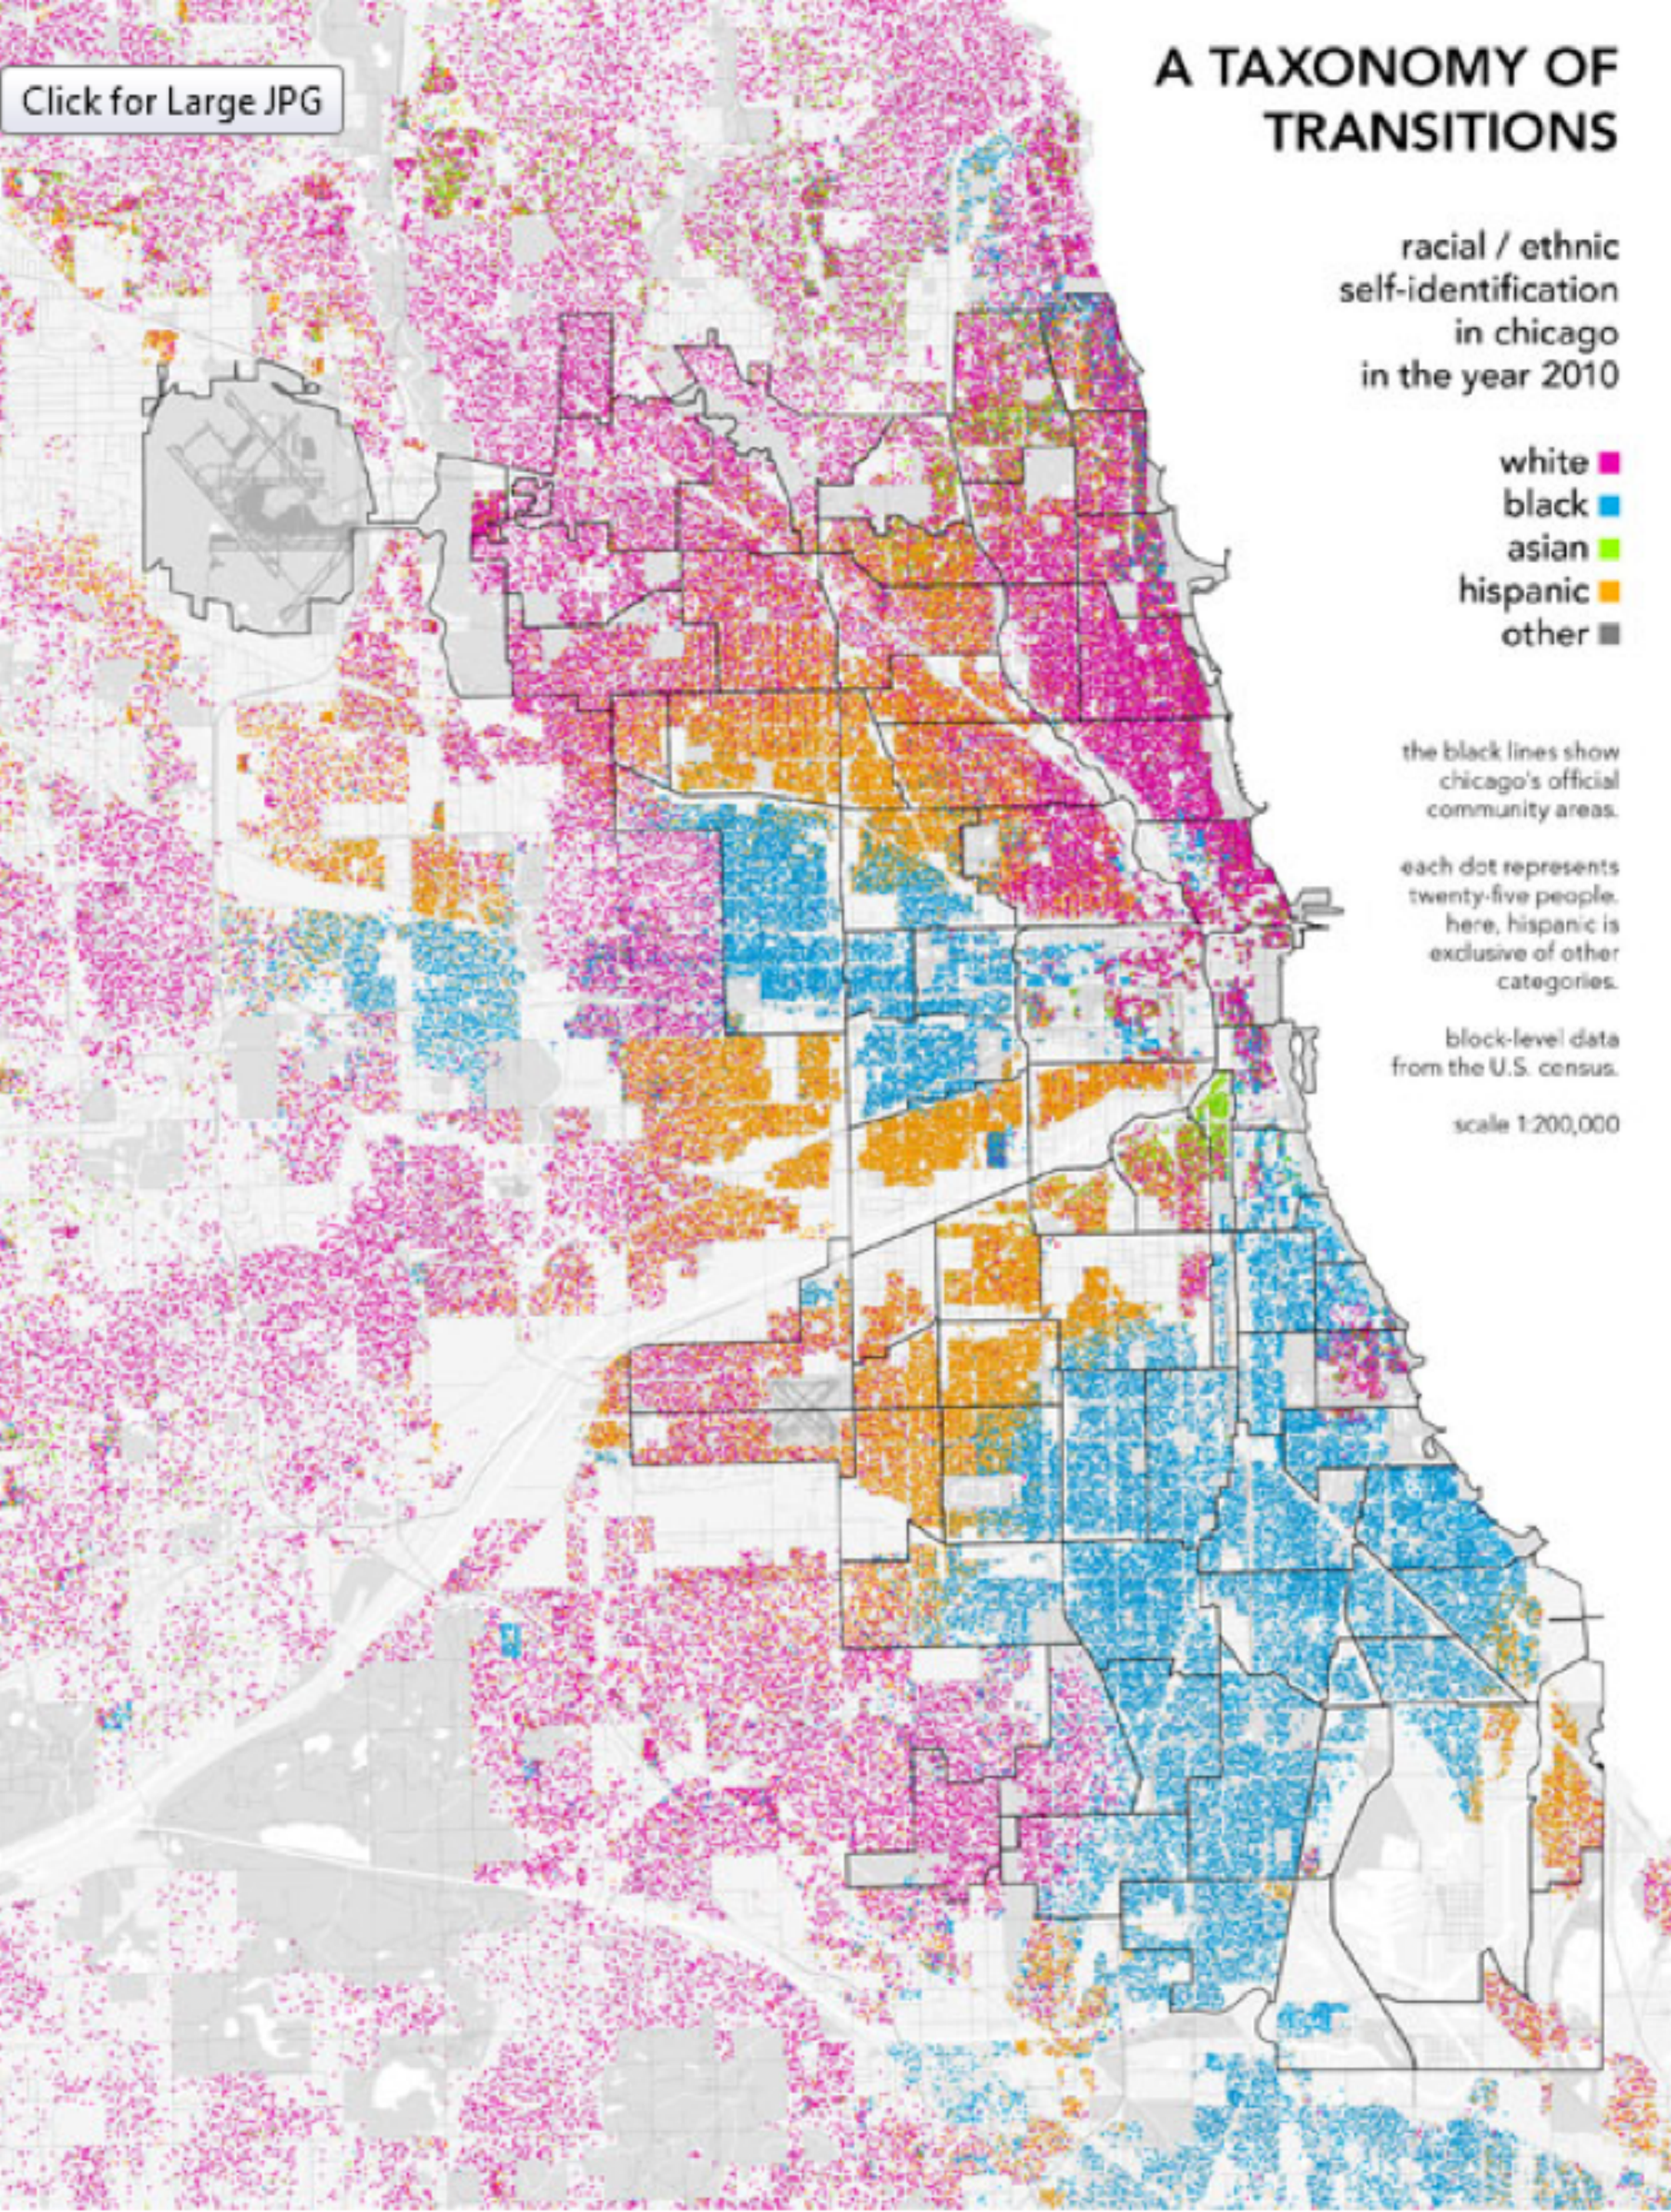

Who gets what?

## Design

How does housing organize aspects of our lives?

# Spatial Distribution

What type of housing?

Where?

Who can live in it?

Who can benefit from it?
